## TAKE CARE OF WEAR-AND-TEAR AND SERVICE ITEMS IN ONE GO

Vehicle parts suffer wear-and-tear and will need replacement or repair as time goes on. Take care of this, and get peace of mind while enjoying your Mitsubishi with a Mitsubishi Platinum Maintenance Plan.

### WHAT IS A MITSUBISHI MAINTENANCE PLAN?

Our Mitsubishi Platinum Maintenance Plan provides for everything that is included in a Service Plan, plus the replacement or repair of specific wear-and-tear parts, when necessary. All maintenance repairs must be performed by a Mitsubishi Motors approved repair facility, over a specific period of time or specific distance travelled - whichever happens first.

### WHAT IS A MITSUBISHI SERVICE PLAN?

This plan offers you a convenient way of budgeting so that you can spend less time worrying about the costs of taking care of your vehicle and more time enjoying the open road.

This plan provides for the Mitsubishi Motors-recommended scheduled services that your vehicle needs.

All service repairs must be performed by a Mitsubishi approved repair facility, over a certain period of time or specific distance travelled, whichever happens first.
