

RENEWTECH GUIDE

WHAT IS RENEWTECH?

RenewTech assists with the restoration and maintenance of your Mitsubishi's interior and exterior appearance.

Important to know

- The maintenance and restoration must occur in the Republic of South Africa
- The following vehicles are not covered:
 - o motorcycles
 - o caravans
 - o trailers
 - o canopies
 - o vehicles used for racing and rallies

The RenewTech Plan in a bit more detail

Keep your Mitsubishi in good condition and possibly boost its value with RenewTech from Mitsubishi Financial Services a division of Motus Corporation (Pty) Ltd, powered by M-Sure Financial Services (Pty) Ltd, while we look after you,

- when you have to fix or repair small and minor exterior* and interior** items of your Mitsubishi,
- take the guesswork out of selecting repairers through a reputable administrator with just one phone call. It's your guarantee of quality maintenance and restoration work through our repair network.
- if you don't use any of the exterior and interior solutions under your RenewTech policy within a 2 year period, you qualify for a paint work treatment and air-conditioner re-gassing benefit***

In addition, you don't have to make provision for unexpected restoration and maintenance repairs out of your own pocket, or claim from your motor comprehensive insurance policy.

Solution options available

Solution options to choose from	Lite	Boost	Prime
Scenario events			
Exterior	*	*	*
Interior	**	**	**
Paint work treatment and air-conditioner re-gas	***	***	***
Solution pay out limits that will refresh every 90 days	R3 000	R4 000	R5 000

Exterior solutions*

- Light scratches smaller than 15 cm in diameter
- Minor dents not bigger than 15 cm in diameter and where the panel has not been ripped, perforated or torn
- Stone chips that may be filled and sealed to prevent corrosion
- Unlimited tar removal
- Maintenance and restoration of damage to your Mitsubishi's windscreen, headlamps and related glass components in case of repairable chips only
- Restoration of wheel rims and mag wheels if they sustain scuffs, stone chips or paint defects
- Replacement of wheel rims or mag wheels is excluded

- Restoring faded paint on your Mitsubishi's gear knob
- Tears or rips to your Mitsubishi's handbrake boot
- Repairs to your Mitsubishi's head rests. The benefit does not apply to guides and frames
- Maintenance and restoration of damaged parcel shelf and strings. The benefit does not apply to a broken frame
- Repair of a scuff on plastic panel. The benefit does not apply if panel is broken or cracked
- Maintenance and restoration of roof lining. Replacement of the roof lining is excluded. The benefit does not apply to convertibles or Mitsubishi's with sunroofs
- Restoration of driver's side rubber carpet inserts. Loose mats and carpets are excluded
- Repair of tears and burn holes to your Mitsubishi's seat panel
- Repair of damaged seat stitching
- Re-spraying of leather steering wheels, but excludes re-covering of steering wheels
- Repairs to damaged sun visors
- If your Mitsubishi is fitted with safety film, the benefit provides maintenance and restoration for scratches, scuffs and tears caused by a sharp object or similar type damage only
- Air-conditioner re-gas and paint work treatment***

Frequently Asked Questions

Does RenewTech only cover interior and exterior damage once?

No. RenewTech is designed to keep your Mitsubishi in great condition for up to 48 months. The pay-out limits refresh every 90 days.

Do I need to claim from my insurance to cover the costs of repair?

RenewTech looks after the costs of most small maintenance and restoration repairs without the need to get your insurance involved where you will pay an excess in any case.

RenewTech Solution Criteria

- Qualifying vehicles:
 - o private motor vehicles
 - o light delivery vehicles with a gross vehicle mass of no more than 3 500 kg
- Months' worth of solution – 24, 36 or 48
