RenewTech Guide

Keep your vehicle
in immaculate condition

What is RenewTech?

RenewTech will keep your car in immaculate condition by repairing stone chips, minor dents and light scratches to your car's interior and exterior. You don't have to make provision for unexpected restoration and maintenance repairs out of your own pocket, or claim from your motor comprehensive insurance policy.

How do you benefit?

- Maintenance and restoration services every 90 days
- Optimise the resale value of your car
- Repairs done at pre-approved repairers
- No need to claim from your insurer

Eligibility

- Private motor vehicles and light delivery vehicles with a gross vehicle mass of no more than 3 500 kg
- The RenewTech Plan may be purchased over 24, 36 or 48 months
- The maintenance and restoration must occur in the Republic of South Africa
- Motorcycles, caravans, trailers, canopies and vehicles used for racing and rallies are not covered

Solution options available

Solution options to choose from	Lite	Boost	Prime
Scenario events			
Exterior	I	I	I
Interior	II	II	II
Paint work treatment or air conditioner regas	III	III	III
Solution payout limits that will refresh every 90 days	R3 000	R4 000	R5 000

*If you don't use any of the exterior and interior solutions under your RenewTech policy within a 2 year-period, you qualify for a paint work treatment or air conditioner regassing benefit

What does RenewTech provide for?*

I Exterior solutions

- Light scratches smaller than 15 cm in diameter
- Minor dents not bigger than 15 cm in diameter and where the panel has not been ripped, perforated or torn
- Stone chips that may be filled and sealed to prevent corrosion
- Removes and restores tar spots and marks
- Maintenance and restoration of damage to your Mitsubishi's windscreen, headlamps and related glass components in case of repairable chips only
- Restoration of wheel rims and mag wheels if they sustain scuffs, stone chips or paint defects
- Replacement of wheel rims or mag wheels is excluded

II Interior solutions

- Scratches or scuffs smaller than 15 cm and 1 mm deep to your Mitsubishi's centre console and dashboard
- Scratches or scuffs to the door panel plastic will be repaired and resprayed
- Tears or rips to your Mitsubishi's gear lever boot and handbrake boot
- Restoring faded paint on your Mitsubishi's gear knob
- Repair of tears and burn holes to your Mitsubishi's seat panel

- Repair of damaged seat stitching and sun visors
- If your Mitsubishi is fitted with safety film, the benefit provides maintenance and restoration for scratches, scuffs and tears caused by a sharp object or similar type damage only
- Scratches or scuffs to plastic door grab handles will be resprayed. Chrome plated and leather finished door handles are excluded
- Restoration of driver side's rubber carpet inserts. Loose mats and carpets are excluded
- Respraying of leather steering wheels, but excludes re-covering of steering wheels
