The Mitsubishi Service Plan runs for a set period of time (e.g. 3 years) or for a fixed number of kilometres (e.g. 45 000 km), whichever happens first. To ensure your plan stays intact, service your vehicle as per the Mitsubishi specifications.

What is a Mitsubishi Service Plan?

This plan provides for the Mitsubishi specified services and parts that your vehicle needs. All services must be performed by a Mitsubishi approved repair facility, at the prescribed mileage intervals or annually - whichever happens first.

The Mitsubishi Service Plan offers you convenient payment options so that you spend less time worrying about the costs of taking care of your vehicle and more time enjoying the open road.

The Mitsubishi Service Plan is not a Maintenance Plan or Warranty. A Maintenance Plan provides for your vehicle's services and specific wear-and-tear items like brake pads, shock absorbers and wiper blades. A warranty provides for unexpected mechanical breakdowns and electrical failures.

How do you benefit?

This plan includes Mitsubishi specified services and parts

- Only qualified technicians who use genuine Mitsubishi parts will service your vehicle
- Affordable monthly payment option to avoid paying large amounts at once
- The financial institution that finances your vehicle may be able to incorporate the payments for your plan into your monthly vehicle instalment
- Mitsubishi Assist roadside assistance

What does a Mitsubishi Service Plan provide for?*

- Filters (oil, air, pollen, fuel)
- Oil & lubricants (engine, coolant, transmission, brake & clutch, differential)
- Spark plugs

- Workshop consumables
- Belts (accessory belt, cambelt) (only if specified in the Mitsubishi service schedule)
